### Introduction of Rev. and Mrs. Timothy Fung 馮敬道牧師和師母的簡介

Rev. Timothy Fung was born in Singapore and later immigrated to US with his family. He majored in Mechanical Engineering and worked as an engineer for five years before God called him to full-time ministry. He served in a Chinese church in southern California as an assistant pastor for six years after graduating from Fuller Seminary. Mrs. Chris Fung has been active in missions since she was a college student with Inter-Varsity. She taught middle school in the public school system for seventeen years. In 2000, God called both of them to serve as cross-cultural missionaries to Kenya. Their ministries involved teaching and training pastors in Bible colleges, and starting a public secondary school, sponsored by the African Inland Church, to reach out to the less-reached nomadic tribes in Northern Kenya and Muslim students from Sudan.
